

# National Association of Rocketry

## Robert L. Cannon Educator Grant Award

### Eligibility Requirements

1. Applicant must be a teacher or other professional working at an eligible educational institution.
2. Eligible educational institutions are public and private elementary, middle, and high schools (grades K-12). *Other educational groups may be considered, but first priority will be given to schools.*
3. Activities supported by the Cannon Award must be associated with the regular classroom curriculum. After-school clubs are not eligible.
4. Cannon Awards are not to be used to sponsor or support Team America Rocketry Challenge (TARC) teams.
5. You must be willing to have your brief activity description (see page 2 of the application form) posted on the Cannon Award web page.
6. You must be willing to submit a link to educational resources on your web site that can be used on the NAR web site, and/or an article for the NAR Educators Newsletter, and possibly for the NAR magazine Sport Rocketry. The article can be about a past activity. Our newsletter and magazine editors are available for assistance as necessary. (If you are a multiple award recipient, this requirement is waived.)

**Note:** We encourage you to partner with your local NAR section for additional support.
