

Fly higher, farther, faster with
NAR High Power
Certification!

Are you looking to tap into more power? Do you want to have sizzling rocket motors, powerful flights and to expand your flying beyond the ordinary? Join the National Association of Rocketry and your local rocketry club. Members share their tips, hints and experience with one another to make flying rockets exciting and educational. To learn more about the NAR, visit: www.nar.org. Your local club is listed on the reverse side of this card.
