

MAKE YOUR OWN FIRE AND SMOKE!

NAR launches are held across the country. From A engine powered models to mega high power projects, you can enjoy the company of rocketeers of all ages and experience levels. See dozens of flights in a single day! Sections hold build sessions, launches, and conventions where members share their tips, hints, and experience with one another. To learn more about the National Association of Rocketry, visit: www.nar.org. Your local club is listed on the reverse side of this card.
