

Motors for the 2023 WSMC

15 February 2023

If you are flying S2P, S7 or S8, please review the following:

1) Each competitor can order the following motors delivered to the meet for use:

- **S2P:** 3 each Aerotech or Estes motors for use at the meet, one spare in case of a cato, plus any practice motors
- **S7:** 2 sets of Aerotech or Estes motors for use during the meet, and one spare set in case of a cato
- **S8D:** 5 each D2.3-P single use Aerotech motors for use during the meet, plus one spare in case of a cato, plus any practice motors
- **S8E:** 6 each E6-P single use Aerotech motors for use during the meet, plus one spare in case of a cato, plus any practice motors

Fill out the order form (**Appendix A**) for the meet motors you need. The Price list is in **Appendix B**.

Please note: You will **NOT** be allowed to take any remaining motors from your order home. They are prohibited from being on commercial flights.

Spare igniters will be available.

Your order form **MUST** be returned no later than May 1, 2023.

If you have questions, please email me at matt@northcoastrocketry.com.
